

Why study the Czech language at UHK?

You will not be here alone! Many foreigners live and study in the Czech Republic and in Hradec Králové.

Free education in the Czech language is provided by public universities in the Czech Republic!

Hradec Králové is a historic city only an hour's drive from Prague. The life in Hradec Králové is cheap and belongs among the best in the country thanks to a wide range of cultural events and various options for sports activities.

The University of Hradec Králové is a young and dynamic institution. It was founded in 1959 and has about 9,000 students. It comprises five units: Faculty of Informatics and Management, Philosophical Faculty, Faculty of Education, Faculty of Science and Institute of Social Work.

The modern campus of the University is located at the confluence of two rivers. A campus visitor can meet thousands of young people, both Czech and international students.

Travelling is so easy! Thanks to the strategic location and excellent infrastructure, you can easily get anywhere. Take advantage of the Schengen area for travels across the EU.

You will not starve here! The Czech cuisine is famous for its dumplings, goulash, beer and offers many original pastry specialties.

The opportunity for career growth. The Czech Republic is an economically advanced country with low unemployment and many job opportunities in multinational companies.

A country full of inspiration! Škoda cars, Bohemian glass, garnets, mineral springs in Karlovy Vary, hockey player Jaromír Jágr, tennis player Petra Kvitová.

You are safe with us! According to the British newspaper The Independent, the Czech Republic is the sixth safest country in the world.
